The Builder shall check all dimensions and levels on site prior to construction. Notify any errors, discrepancies or omissions to the Architect. Refer to written dimensions only. Do not waste drawings. Drawings shall not be used for construction purposes until issued for construction. This drawing reflects a design by ApproveAll Town Planning and is to be used only for work when authorised in writing by ApproveAll Town Planning.

All boundaries and contours are subject to detailed site survey. All levels to Australian Height Data. It is the contractors responsibility to confirm all measurements on site and locations of any services prior to work on site.

All documents here within are subject to Australian Copyright Laws.
