Tablelands Community Support Options

Tablelands Community Support Options is auspiced by the Uralla Shire Council and receives funds from the State and Federal Governments to deliver services that enable people who are ageing and people with a disability to remain in their own homes and provide support for their carers.

The Tablelands Community Support Options have been providing services in New England region for the past 18 years and specialise in Case Management. We have built up an excellent reputation for providing quality services which are tailored to meet their individual client's needs. Aboriginal staff are employed to assist the Aboriginal clients. Case Managers meet regularly with their clients to discuss their needs and have built strong relationships with other service providers ensuring a coordinated package of services are delivered. Services are provided that build on the strengths of the client, supporting them with any deficits.

Services that can be provided include assessment, case management, referral on, personal care, respite, domestic assistance, transport, meal services, shopping and assistance to social activities. Day Centre activities are also available to the Aboriginal elders.

For further information on services that can be provided by Tablelands Community Support Options please call 02 6778 3006.
