URALLA SHIRE COUNCIL | JUNE 2020

Mayor's Message

History was in focus last month with Monday, 25th of May 2020 marking 150 years since the death of notorious Australian Bushranger Captain Thunderbolt.

The Honorable Adam Marshall MP and Mayor, Cr Michael Pearce marked the milestone at Uralla's Captain Thunderbolt statue.

As restrictions begin to ease and our community starts getting out and about I would like to sincerely thank Uralla Shire for your patience in adhering to restrictions and following the advice of the NSW Government over the last months.

Many of our services have begun to reopen their doors with the Uralla Library and Visitor Information Centre excited to welcome back our community and visitors. I know that many of you have already enjoyed being able to borrow a good book again.

It's important to note that modifications are in place to keep everyone as safe as possible so please do expect a visit that may look a little different to usual as we work to keep you safe.

It has been great to see the many faces visiting our customer service centre since it reopened and I am proud to see everyone following the capacity limits and physical distancing precautions put in place.

As we all start to begin making plans again it is still important to follow the latest public health advice including to continue vigilantly washing your hands, keeping physical distance of 1.5m and downloading the COVIDSafe app.

Our Council website has more information on the latest updates

to Council services and changes relating to COVID-19.

Reconciliation Week was commemorated in May a little differently than usual with the theme In This Together resonating with the current times. I would like to acknowledge the traditional custodians of the land of Uralla Shire, and pay respect to Elders past, present, and emerging.

Don't forget to get in touch with myself and all the Councillors if we can be of any assistance as we love to hear your feedback. Our contact details are on the back page.

Until next time,
Mayor, Cr Michael Pearce

Uralla Water Restrictions Lifted

Water restrictions have been lifted for Uralla. This decision resulted from the combination of rainfall in the Kentucky Creek Dam catchment and progress made to the ongoing repairs and upgrades to the water treatment plant filters.

We remain committed to improving water security for the Shire, including increasing the water efficiency of Council facilities, working with the community to reduce water consumption, and reviewing alternative water supply options.

Book Worms Rejoice!

Uralla Library reopened at the beginning of June and we are excited to have taken this first step to welcoming our book lovers back. It is important to note that precautions are in place to help keep our visitors and staff as safe as possible and your visit may look a little different than usual.

We ask visitors to:

- Please keep your visit short.
- Physical distancing and building capacity limits apply.
- Please practice good hygiene and use hand sanitiser when entering.
- Please provide your contact details to staff members upon entry.

Returns can still be made through the external chute and library members can continue to access eBooks, eAudio, eMagazines, Story Box Library, Ancestry.com and other Digital Resources on our website using their membership number and password.
