Tablelands Respite for Carers of People with Dementia

Tablelands Respite for Carers of People with Dementia is a flexible respite service for Carers of people with Dementia. Places for this service are now available.

Caring for a loved one with memory loss can be physical and emotionally exhausting, and Carers may find the behaviour of the Dementia Sufferer very challenging. Respite can provide the Carer with breaks from their caring role. Services are very flexible to meet the individual Carer's needs.

Support may be provided while the Carer takes a break, or a support person may take the 'Person under Care' for an outing in the community.

Support could include:

- Assisting with personal care and domestic tasks.
- Social support to assist the 'Person under Care' to access activities in the Community.
- Assistance for the Carer to take a short break each week, or a longer break monthly.
- Provision of over night care in the home in an emergency.

To receive more information on the Service:

- ☐ Visit us at the Uralla Community Centre, 9 Hill Street, Uralla;
- ☐ Phone us on 02 67783 6350;
- ☐ Email us at: tcs@uralla.nsw.gov.au, or;
- ☐ Ask family, your doctor or a friend to contact us on your behalf.

Auspiced by Uralla Shire Council funded by the Department of Health and Ageing.
